A Preview of Upcoming Custom Designed Tours

February 2009

Happy New Year!

A VERY SPECIAL ANNOUNCEMENT FROM JOHN KOSTA SR.

What an exciting way to start 2009! There is a new member of the Kosta and Huron Valley Travel family. Katie Kosta, my new daughter-in-law, will be taking over the role of President of Huron Valley Travel! Katie married my eldest son John Jr. recently and they are looking forward to this new chapter in their lives. Katie is an avid traveler and is finally turning that love into her full time profession. She is full of energy and I encourage you to give her a call so that she may tell you all about our

upcoming tours! She is working hard with Melissa (of course we can't do it without her!), learning the ins and outs of our current trips and has many new exciting adventures in the works. I will be continuing on in an advisory role and rest assured you will see me on many of our upcoming tours. I am excited to be adding someone with such a passion for travel and people to the Huron Valley team. There is nothing we love more than our tours, so the focus of the agency in the future will be entirely on our group tours. To reflect that focus, you'll notice a slight name change to Huron Tours & Travel. As always, we strive for an excellent travel experience for all our guests from the first e-mail or phone call to the last farewell!

Keep watching www.HuronToursAndTravel.com for all the latest tour updates!
